CERTIFICATE OF CONFORMANCE

(Packaging Material)

IPPC/ISPM-15

This is to certify that packaging supplied by Continental Disc Corporation does not contain any non-coniferous (solid wood) or coniferous (soft wood) material. The product is packaged with plywood which is excluded from the regulations set forth in ISPM-15 (International Standard for Phytosanitary Measures) of the IPPC (International Plant Protection Convention) regulations pertaining to the use of solid wood packaging material in export applications.

A handwritten signature in blue ink, appearing to read 'Shane Bacon'.
